Mississauga, Ontario, Canada L5L3M5

Professional Summary

I am currently enrolled in my last semester at Sheridan College in the Software Engineering program. After 5 years of work experience I've learned to be an effective problem-solver and team player with the soft skills necessary to thrive in any work environment. I am seeking a career opportunity that will allow me to utilize my problem solving skills and attention to detail to further develop my abilities in the field of computer science.

Education	Proficiency		Hobbies
Software Development and Network Engineering Sheridan College, Oakville January 2018-Present	<ul style="list-style-type: none">• Java• C#• HTML• CSS	<ul style="list-style-type: none">• JavaScript• PHP• SQL• C	<ul style="list-style-type: none">• Building computers for myself, family, and friends• Exploring Linux Distributions
